THANKSGIVING

A special holiday. A time to reflect on how incredibly fortunate we are to be citizens living in freedom in the United States of America. We experience the best medical care and the strongest economy in the world. Compared to the majority of the world, we live in opulence and plenty.

On this special occasion and each and every day, I pray we remember to give respect and understanding to all of our fellow citizens. We can disagree, but let us do so agreeably. Let us celebrate the contributions of others and understand the difficulties some face. Let us offer assistance whenever possible and generosity whenever needed.

I don't think there has ever been a thought process better than "Do unto others as you would have them do unto you". It's really not more complicated.

I want to Thank You for the continued opportunity you bestow on me to provide you with guidance and assistance. It is a privilege beyond measure, and I have been, am, and will continue to be grateful.

So, happiest of Thanksgivings to you and your family. May it add special memories, joy, and peace.

All the very best to you,

Bob Tucker
